From it he has put together of clubs comparable ability with the majors. As man ager of the nine at Waco Army Air Field, Birdie produced an outfit that won 52 of 62 games and the State semi-pro title last year.

Now he's back with one that looks as good or better; it has taken nine of ten games. Birdie's "farm system" is the intramural sports program. Tebbetts watches the squadron games and gets plenty of material. His system is more convenient than the kind in the majors because he can just walk across the lot and recruit ball players. No scouting. No waits. No contract troubles.
